

# Peer Editing Form

Student writer Catey Whitlock

Peer Editor Amelia Hilsen date edited 12/18

Circle the number closest to the grade. Use the information from the seminar to guide your evaluation. Corrections are on the paper.

**Is the introduction and conclusion in the correct format?**

1 3 5

Comments: (be detailed and candid)

The intro was a bit repetitive, but was relatively in the right format; needs a little work

**Are the introductory and concluding paragraphs engaging?**

1 3 5

Comments: (be detailed and candid)

was ~~more~~ kind of engaging, could make the intro story more exciting, and the conclusion needs to be more thrilling with a solid ending

**Body paragraphs have details and support in the correct format.**

1 3 ~~5~~

Comments: (be detailed and candid)

you need to tell why for things instead of just saying the facts

**There is authentic word choice and sophisticated sentence structure.**

1 3 5

Comments: (be detailed and candid)

some sentences are awkward, but the vocabulary was ~~good~~ good; could be more fluent

**Correct punctuation and spelling (one or two = 5, a few = 3, many = 1)**

1 5

Comments: (be detailed and candid)
